**NOTICE OF AVAILABILITY AND INTENT TO CERTIFY
FINAL ENVIRONMENTAL IMPACT REPORT – CHEVRON EL SEGUNDO
MARINE OIL TERMINAL LEASE RENEWAL PROJECT**

The California State Lands Commission (CSLC) has prepared a Final Environmental Impact Report (EIR) for the Chevron El Segundo Marine Oil Terminal (Terminal) Lease Renewal Project (Project). Chevron Products Company (Chevron), the applicant and operator of the Terminal, proposes to continue existing operations of the Terminal, located on tide and submerged state lands offshore of the city of El Segundo, Los Angeles County, for a term of 30 years beginning in 2010 and ending in 2040.

The CSLC is the lead agency for the proposed Project because it has jurisdiction over tidelands used for operation of the Terminal. Pursuant to Title 2, California Code of Regulations, section 2906, the CSLC is providing an opportunity for public review of the Final EIR.

The Draft EIR was circulated for a 60-day public review period beginning August 16, 2010. The Final EIR references and incorporates the Draft EIR, and includes 1) a list of persons, organizations, and public agencies that submitted comments during the public review period, 2) responses to comments and significant environmental points raised in the review and consultation process, 3) changes made to the text of the Draft EIR, and 4) the Mitigation Monitoring Program.

The Final EIR has been prepared for the CSLC pursuant to the California Environmental Quality Act (CEQA) (California Public Resources Code sections 21000 et seq.) and in accordance with the Guidelines for the Implementation of the California Environmental Quality Act (CEQA Guidelines) (California Code of Regulations, Title 14, sections 15000 et seq.). The CEQA Guidelines stipulate that an EIR must be prepared for any project that may have a significant impact on the environment. The Project is a "project" as defined by the CEQA Guidelines. Upon preliminary review, the CSLC determined that the Project may have a significant adverse impact on the environment and, therefore, an EIR is required.

Both the Draft and Final EIRs, identified as CSLC EIR #735 and State Clearinghouse Number 2006031091, may be viewed electronically, in Word or Acrobat format, on the CSLC website at <http://www.slc.ca.gov>. If you would like a hard copy or CD of the Final EIR mailed to you, please contact Cy Oggins at the address listed below.

California State Lands Commission

Copies of the Final EIR will also be available for review at the following locations:

CSLC, DEPM 100 Howe Avenue, Suite 100-South Sacramento, CA 95825 (916) 574-1890	CSLC, Marine Facilities Division 200 Oceangate, Suite 900 Long Beach, CA 90802 (562) 499-6312
El Segundo Public Library 111 W. Mariposa Ave El Segundo, CA 90245 (310) 524-2722	Los Angeles Public Library, Central Branch 630 W. 5th Street Los Angeles, CA 90071 (213) 228-7000

The CSLC will meet to review and consider certification of the Final EIR, and, if the Final EIR is certified, to take action on the proposed Project at the next meeting of the State Lands Commission, which will be held at 10:00 AM on December 10, 2010, at the Port of San Diego. Further details will be provided on the CSLC internet website at <http://www.slc.ca.gov> as they become available. If you have any questions or need further information, please contact Cy R. Oggins (contact information listed above).
